

Non-Defense Appropriations

In billions of 2016 dollars

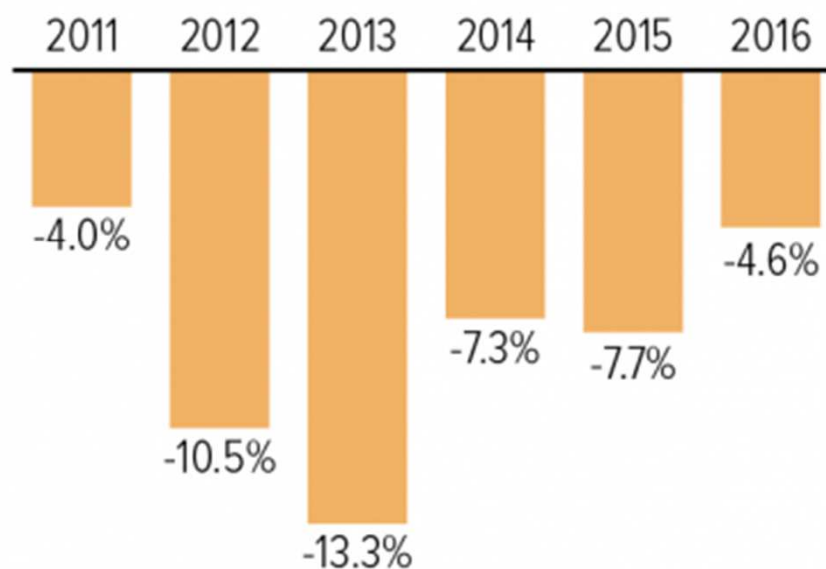

Notes: Sequestration refers to budget cuts required under the 2011 Budget Control Act, and includes modifications made in the Bipartisan Budget Acts of 2013 and 2015. The 2010 level does not include any 2009 Recovery Act funds. All amounts exclude funding for disasters, emergencies, program integrity, and Overseas Contingency Operations (OCO).

Federal Housing Assistance Funding Remains Well Below 2010 Level

Discretionary budget authority for housing assistance, relative to 2010, adjusted for inflation

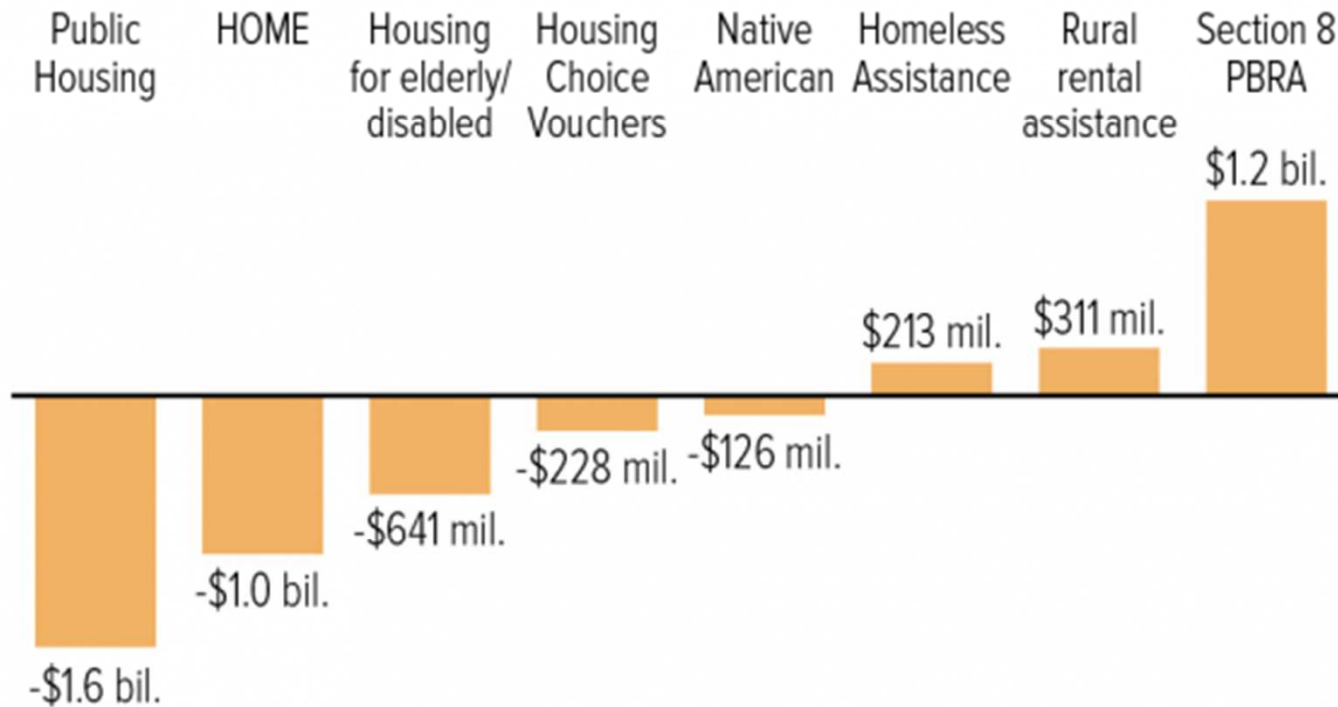

Note: "Federal housing assistance" includes the Section 8, public housing, homeless assistance, Section 521, HOME, Native American Housing, HOPWA, and Section 202 and 811 programs, as well as many smaller programs, but does not include community development programs.

Public Housing and HOME Grants Have Seen Deepest Funding Cuts

Change in funding, 2016 compared to 2010, adjusted for inflation

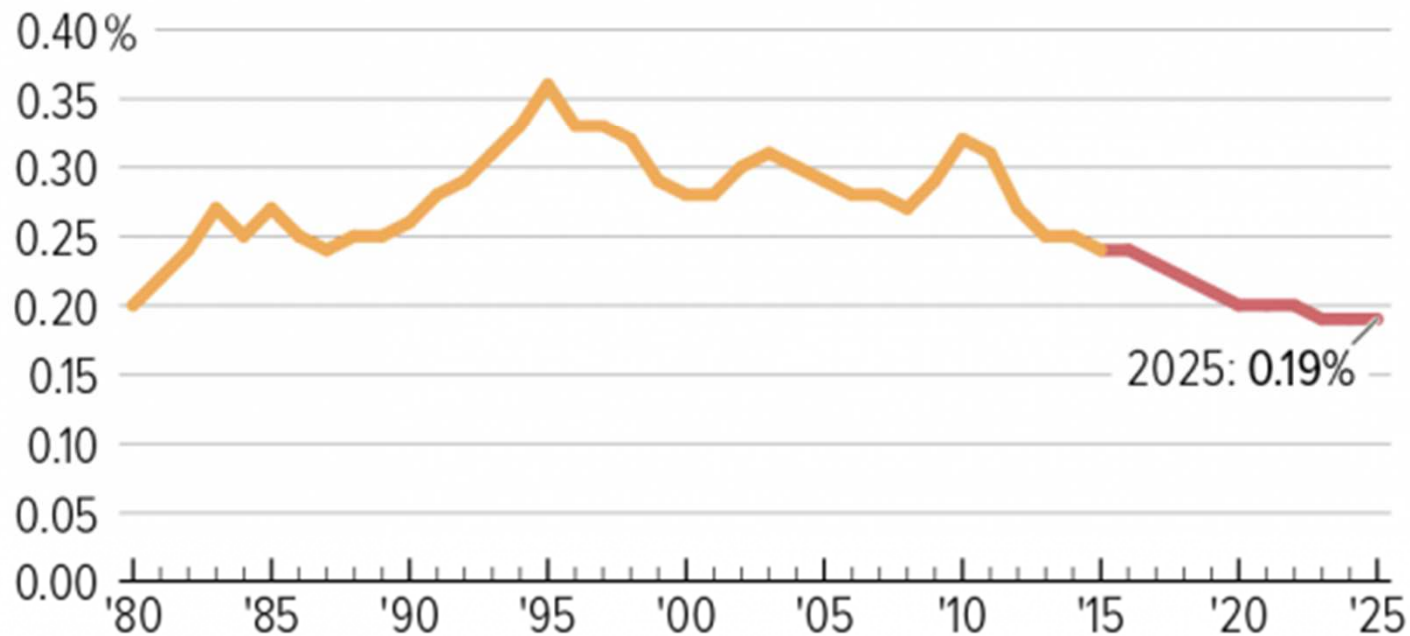

Note: "Housing for elderly/disabled" refers to the Section 202 and 811 programs; Rural rental assistance refers to the Section 521 program.

Source: Office of Management and Budget.

Budget Caps Could Drive Housing Assistance Spending to Lowest Level in 40 Years

Discretionary housing assistance outlays, relative to GDP

Note: Budget caps = annual caps on discretionary spending under the 2011 Budget Control Act. GDP = gross domestic product. Red line is CBPP projection, assuming housing assistance share of non-defense discretionary funding remains constant.

CENTER ON BUDGET AND POLICY PRIORITIES | CBPP.ORG

President's FY 2017 Budget Request

- Mandatory proposal:
 - \$11 billion *over ten years* in Rapid Re-Housing and Housing Choice Vouchers for homeless families.
- Discretionary request continued commitment to targeted resources to end homelessness by proposing targeted Housing Choice Vouchers and large increases for McKinney-Vento Homeless Assistance.
