

What is SOS Richmond?

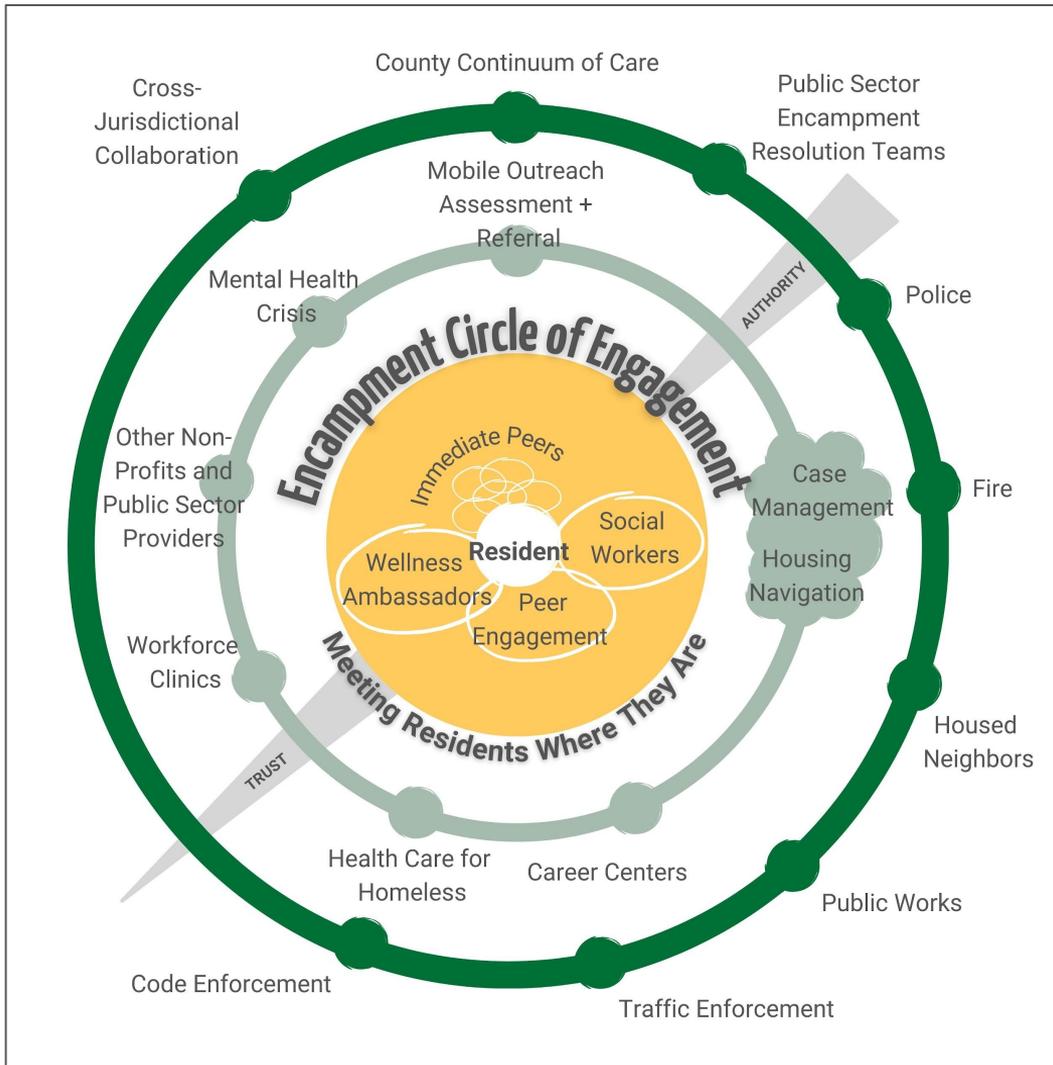

Empowering our unhoused neighbors on their journey to health, housing, income and personal goals

We are a constituent-designed and guided organization, established in 2021.

SOS is convinced that equitable solutions to displacement and dispossession must come from unhoused people themselves who are most impacted.

Working together, we can all be **Stewards for Change**

Encampment Circles of Engagement

FROM TENT TO HOME: Accompaniment & Support

SOS, Housing Consortium of the East Bay (HCEB), and Lifelong Medical accompany people on their path from tent to home

From Tent to Home

Whole Person Care Roadmap

Whole Person Care Roadmap From Tent to Home
