PARTNERS FOR HOME

Think of a time when a system, rule, or process didn't work for you - a confusing online form, a building without an elevator, a policy that made it harder to access something you needed...

Now imagine experiencing that kind of challenge *every day*.

How would it impact someone trying to access housing or services?

COMPONENTS OF THE ATL. COC JEDI COMMUNITY STANDARDS

Standards:

Includes 4 Domains:

1. Administration
2. Staff Training
3. Communication
4. Service Provision

Indicators:

Activities that demonstrate a standard is being met.

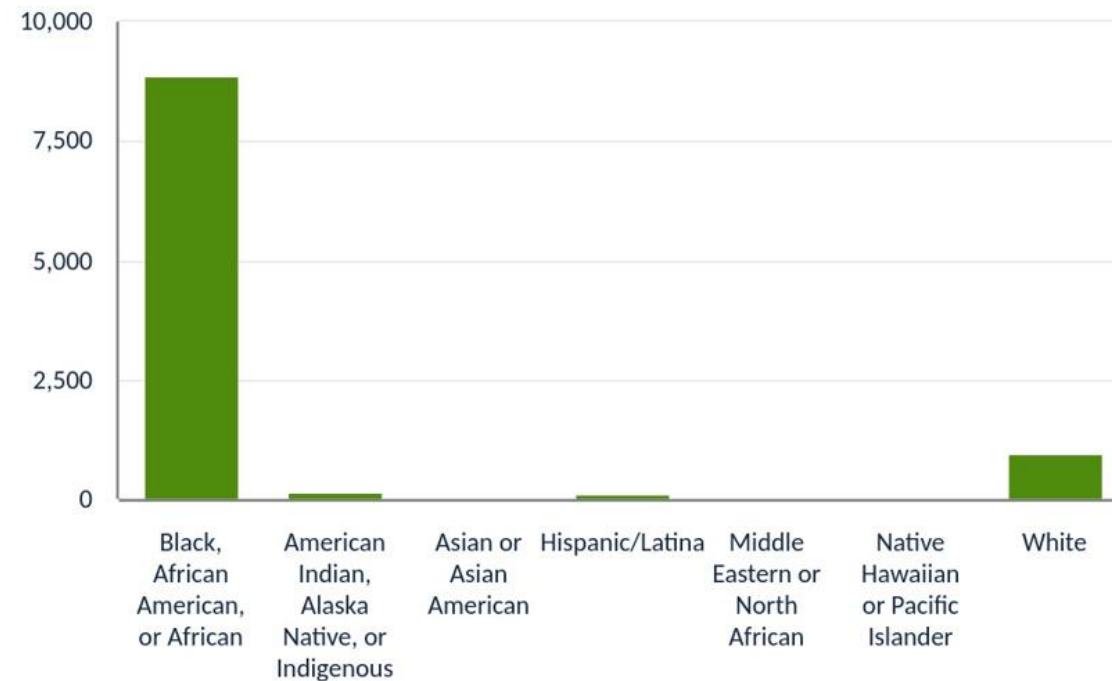

Evaluation Tool:

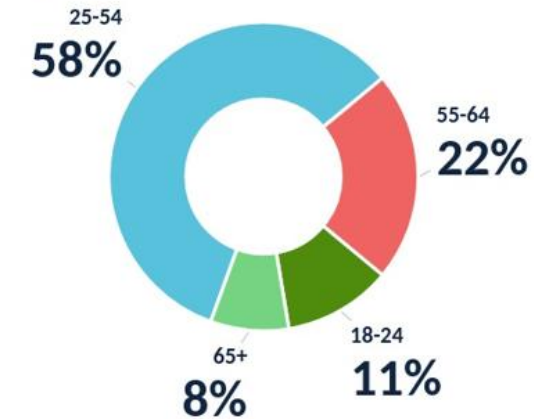

Assessment/evaluation tool used to determine how closely aligned agencies are to the community standards.
