Traditional Wellness Team

This traditional wellness team works with the guidance of Chief Traditional Officer and The Executive Director to support the Mental, Emotional, Physical, and Spiritual health of the members and residents of Chief Seattle Club. Their role will ensure that all members and employees experience Chief Seattle Club as a place grounded in Native culture that nurtures, affirms, and strengthens the spirit of Urban Native people. The team will work individually and in group settings utilizing trauma informed mental health and cultural tools and practices to support the healing and wellness modalities that ensure quality of care from ancestral knowledge.
